Getting Started Guide

An Introduction to IBISWorld Industry Research
IBISWorld Reports

• IBISWorld industry reports are powerful business tools that provide strategic insights and analysis on over 400 UK SIC industries. We publish the UK’s most comprehensive selection of reports, at the class level of UK SIC – everything from Hard Coal Mining to Pubs & Bars.

• Extensive, objective and easy to digest, IBISWorld’s industry reports offer the very latest content on almost every UK industry. The reports are updated between 1-4 times a year which depends on how fast moving an industry is.

• Each report consists of 25 to 30 pages of key statistics and analysis on;
  – Market Characteristics ie. Revenue
  – Operating Conditions
  – Current and Historical Performance
  – Five-year Forecasts on Revenue
  – Imports and Exports
  – Employment, Enterprises and other Key Statistics
  – Major Industry Participants with Market Share and more

Search within Report
The first two chapters, *About this Industry* and *Industry at a Glance*, give an overview of the report which is explained in more depth later in the relevant chapters.

Each report has the same structure so you can compare the same chapter/sub-chapter for multiple industry.
For a snapshot of the Industry Report use the Industry at a Glance Chapter which gives a quick overview of the information contained in the report:

- Key Statistics
- Levels & Trends
- Executive Summary
- Key External Drivers
- Major Players
